

CME Group and Commodity Club Webinar

CME Group and the Commodity Club invite you to attend an online Webinar exploring the impact of key agricultural and waste feedstocks on the renewable fuels markets on Wednesday, 29 June.

The webinar will feature:

- **Aneeka Gupta**, CFA, Director Macroeconomic Research, Wisdom Tree
- **Paul Wightman**, Director, Research and Product Development, CME Group

The webinar will explore:

Fundamental drivers in the global feedstock markets

1. Setting the scene with global market developments
2. Outlook for key agriculture commodities, such as wheat, corn, soybeans, soybean oil, and sugar
3. The impact of high fertilizer prices

Regulatory and Liquidity trends

1. The story so far in bio energy – high level overview of regulatory changes
2. An overview of grains, oilseeds, and fertilizer futures markets and liquidity
3. Growth in the number of trading participants
4. What does the CFTC Commitment of Traders report show us?
