Educational Trip to the Netherlands

Amsterdam - Rotterdam, 13-15 September 2024

6th Educational Trip Amsterdam – Rotterdam

The trip focuses on the **dynamic and evolving agricultural market** and one of the **largest logistics hubs** in the world. It is specifically **designed to provide in-depth insights into the food supply chain and the specific production practices** that are crucial in meeting current demands while adapting to market developments, consumer trends, and demographic shifts.
