

COMMODITY CLUB

—Center of Competence—

Breadbasket of the World
Ukraine's massive Agriculture Industry
Trip to Kiev: May 19 – 21, 2017

Commodity Club Switzerland

Building competence to generate global impact

The Commodity Club Switzerland hereby kindly invites you to join us on our trip to Ukraine between May 19 - 21, 2017.

The trip starts with an overall introduction of Ukraine by a leading Investment Bank. You will be briefed on the current political and economical situation of the country. The main focus is given on the agricultural industry.

You will learn more on the fact, why Ukraine is the Breadbasket of the World. Ukraine's powerful and growing agricultural sector is among the largest of the world. You will visit highly efficient farms with the size of Luxemburg!

But Ukraine has much more to offer. You will see some of the most impressive cultural sites of the country.

This exclusive trip is for members only.

On an individual basis, we also offer the trip to prospective members.
