## Commodity Trading Week Americas Online & Houston, June 8th-9th

Dear Commodity Club Members & Experts,

We're delighted to announce that we are an Association Partner at **Commodity Trading Week Americas**, taking place in **Houston, TX and Online on June 8-9**.

As Association Partner, we're inviting you to join us there for a packed week of learning, discussion and networking. With over 70 speakers sharing their insights and more than 500 attendees in-person, with a further 3000 taking part online from around the globe, this will be the **biggest gathering of commodity trading professionals** in North America this year. Find out more here:

<https://bit.ly/3KYT4xs>

Expert speakers will explore the hot topics affecting commodities markets today, including the effects of **commodity volatility, the impact of ESG, risk measures in stressed markets, developing tech stacks** and more. There will be perspectives on agriculture, metals, oil, gas and more with tailored sessions for everyone involved in commodity trading.

You can join us and hundreds of commodity trading professionals in-person in Houston, TX, or enjoy access to all the session recordings to watch at your convenience.

Register your place now to join us there – you won't want to miss this!
