

TXF Amsterdam 2025 Global Natural Resources & Commodity Finance May 14-15, Amsterdam

Dear Commodity Club Members & Experts,

Commodity Club is proud to announce its support for [TXF Amsterdam 2025: Global Natural Resources & Commodity Finance](#), where 500+ experts will gather to network, originate new deals and hear the latest insights on commodity finance in **Amsterdam** on the **14-15 May (Industry Awards Dinner 13 May)**, providing you with a unique experience to connect with leading dealmakers and drive new business.

Get ready to dive into an immersive networking experience meticulously crafted to seize dealmaking opportunities at every corner. This event unites **CEOs, CFOs, regional business Heads, and eminent figures** from top-tier producers and trading house entities, leading developers, financial sponsors, technology providers, law firms, insurers, as well as esteemed representatives from ECAs, banks, and financial institutions.

As part of our partnership, we are delighted to announce:

- **Complimentary access passes** for qualifying Commodity Club members (traders and producers) - [apply for your free place today](#) (the deadline to apply is 1st May, 1 pass per company)
- **15% discount off the standard rate for Commodity Club members** - [book your place here](#) (discount applied)

Key speakers, you will hear from:

- Saad Rahim, Chief Economist, **Trafigura**
- Oliver Schenkenberg, Group Treasurer, **Gunvor**
- Jayant Parande, Managing Director, Global Head - Treasury & TSF, **Olam**
- Nicolas Mignot, CFO, **Sahara Energy**
- Sander Stujit, Finance Director, **Duferco**
- Hamsika Gopalan, General Manager - Corporate & Trade Finance, **Rescom**

...and many more! Join TXF as they deliver an exciting agenda tackling each region's market's latest trends and concerns; [see the full agenda here](#).

If you would like any further information on the event or other upcoming TXF events, please email marketing@exilegroup.com.

We look forward to seeing you in Amsterdam this May!

With best regards,
