

TXF Global Commodity Finance 2022

May 10th - 11th, Amsterdam & Virtual

Dear Commodity Club Members & Experts,

It is with great pleasure that the Commodity Club is confirmed as an association partner for the upcoming [TXF Global Commodity Finance 2022](#) hybrid event taking place on **10 & 11 May**.

The event is the global gathering of the year for all those working in the commodity finance industry and we will be welcoming the most senior representatives (think CEO's, MD's and Global Heads) of traders, producers, banks, platform providers, insurers, brokers and more. It's the gold standard for networking within the commodity finance industry.

As part of our partnership, we are delighted to announce that we have secured the following special offers for our members*:

- **Complimentary access passes** to qualifying Commodity Club members (qualifying companies include commodity traders and producers): [APPLY HERE](#),
- **15% discount for Commodity Club members** who do not qualify for the corporate rate passes. [Visit the booking page here](#) and enter the discount code: **15OFFCC22**.

**Please note these special discount codes are available only to the TXF Commodity Finance event and are not applicable for TXF Membership booking options.*

Agenda highlights for 2022 include:

- **Small and mid-size traders:** with increased margins and a number of factors making it impossible job we strategize the best way forward, with Commodity Club Board Member Alexander Peters,
- **The new International Sustainability Standards Board (ISSB)** and what this could mean for increased ESG transparency in the industry?
- **Deal-making 101** – Digital agents, electronic documents and virtual handshakes: A guide to commodity finance deal-making in 2022,
- **What's hot and what's not?** – Expert analysis of all the key commodity markets,
- **Could oil prices hit record highs in 2022?** what effects that could have on the market and why LNG is set for a rocky year.
