Commodity Trading Week Shipping & Maritime online webinar series

Dear Commodity Club Members & Experts,

Taking place on the 21st February, the [Shipping & Maritime online webinar series](#) will be bringing together over 12+ expert speakers to explore everything involved in commodities transportation and logistics.

This webinar series comprises of **three high-value content-driven panel discussions**, focusing on crucial issues in shipping and maritime, specifically:

- Recent developments in the global shipping market... Batten down the hatches?
- How do we move towards a truly sustainable area of chartering and shipping?
- Digitising maritime shipping - where are we?

[Register now](#)

[Register now for free](#) to join this highly informative and interactive webinar series, where you'll gain practical takeaways and have the opportunity to put your questions to the panels over four fantastic sessions. View the [full agenda here](#).

We look forward to "seeing" you there!

With best regards,

Francesca C. Bruno
Managing Director, Commodity Club Switzerland
