

## Welcome to the CTA Network & Learn Apero

Topic: The Great Resignation - Women and the Future of Work

Kraftwerk, Zurich - May 11th 2022 from 18.30 to 21.00

Dear Commodity Club Members and Experts,

we are glad to announce that the Commodity Club will join the Commodity Trading Afterwork "**Network & Learn Apero**" at Kraftwerk in Zurich on Wednesday 11th of May at 18:30, event organised by the Commodity Trading Association (CTA).

**Guest speaker:** Liana Melchenko, Global Head of Innovation and Insights, Innovation Foundation

**Theme:** The Great Resignation: Women and the Future of Work

Liana oversees research and innovation, focusing on identifying the needs and priorities for underserved populations and is responsible for partnerships with research institutions and innovative data providers, as well as building internal research capacity.

We kindly invite you to register via the official website by clicking the button below.

Network & Learn Aperos are opportunities to meet people sharing the same passion for the industry and learn something new about the industry from our guest speakers. The goal is to make networking a truly comfortable experience in a professional and friendly context.

The participation fee is CHF 24 for CTA Alumni and CTA partners (Commodity Club Switzerland, CT Club, WISTA, ZCA, STSA) and CHF 33 for non-affiliates.

The fee includes a welcome drink of your choice (red or white wine, prosecco, beer, soft drinks) and plenty of finger food so you will not go home hungry after work!

Tickets can be either purchased in advance or upon checking in at the event. Either way, you will need to register in advance by filling in the registration form. Since places are limited, we highly recommend to pay in advance to secure your place and avoid bottlenecks at the event check-in.

We look forward to meeting you!
