Network & Learn Aperos are opportunities to meet people sharing the same passion for the industry and learn something new about the industry from our guest speakers. The goal is to make networking a truly comfortable experience in a professional and friendly context.

The participation fee is CHF 24 for CTA Alumni and CTA partners (Commodity Club Switzerland, CT Club, WISTA, ZCA, STSA) and CHF 33 for non-affiliates.

The fee includes a welcome drink of your choice (red or white wine, prosecco, beer, soft drinks) and plenty of finger food so you will not go home hungry after work!

Tickets can be either purchased in advance or upon checking in at the event. Either way, you will need to register in advance by filling in the registration form. Since places are limited, we highly recommend to pay in advance to secure your place and avoid bottlenecks at the event check-in.

We look forward to meeting you!
